Helpful Hints and Warnings This is a ride, not a race!

There have been far too many bicycling accidents, injuries and fatalities. Please be extra careful.

Many Maine roads have broken and uneven pavement and pot holes that may be difficult to see

Leaves may make cornering more dangerous. Use caution.

Please remove your gloves and use hand sanitizer before handling food.

There are 6 more porta-potties at the end of the further parking lot by the tennis courts at the MDI HS
